Welcome To The Neighborhood

We have just sold our 40th custom home, a new three bedroom, two and a half bath Hickory model, which was purchased by Anisha, a young professional woman.

Theodora and James Chow and their two children moved into their new home a couple of months ago.

"Thank you VW Homes for the great house that you built us. You provided us with valuable suggestions to help make the house as special as it is. We and the kids are enjoying living here so much."
- James Chow

Snowmen and snow forts can be spotted in front yards along Twin Pines Drive and Padens Court, and cars line driveways for weekend parties. We want to share what two more of our homeowners had to say about building their dream home at The Willows.

"We've wanted to move to The Willows since it opened. We chose the Lilac model, and there's not an inch of wasted space in it. We're so excited to be living here."
- Amy & Matt

Here's Abby and Sarah Miller:

"We have a beautiful new home, which was move-in ready, for what it would have cost us to buy an older home and fix it up the way we wanted it. We love it here."

The views are spectacular and the people are so friendly.

- Paula Miller

THE WILLOWS IS BEAUTIFUL ANYTIME OF THE YEAR!

Here's some good news about real estate...

Many people think this is a great time for buyers to enter the market. According to a recent survey, 90% of participating homeowners view their home as a comfort in life. These happy homeowners also tend to give high marks to their community for cost of living and available cultural activities, and 65% feel it's a good time to buy a home.
